Session 6: Start shaping the wave

WorldCafé, Table 2: Common objectives for the wave

facilitator: Alice

note taker: Monique

Objectives short term period: escalation during the wave ; audience (who we want to support us during the wave); targets for this wave; Objectives for the message of the wave

- clear to governments that people are coming together --> fear
- better geographical coordination between
- focus on govs and fossil industry
- post corona just recovery: states & govs --> health & jobs, public services

Objectives for long term: what do we want to have change in 2021 due to the 2020 autumn wave

- clear connections of issues
 - intersectional coordination
 - global uprising
 - new perspective of climate movement: need to build coalition + with GA reclaim the movement
 - GA: targets will be corporations and industries --> hold them accountable through inventory
-
- more connections globally
 - focus on fossil fuels
