

BY 2020 WE RISE UP

**WE CALL ON EVERYONE TO
RISE UP, IN SOLIDARITY,
WITH LOVE AND RAGE,
WITH DETERMINATION
AND STRATEGY.**

The fight for climate justice is being lost, but doesn't have to be.

Let's work together, plan and build our strategies to win.

WE ARE THE ONES WE'VE BEEN WAITING FOR

Our time is one of fast changes and multiple global crises, not only of climate, that call for a response of the same scale.

This is a time of all of our struggles coming together. We know that, while the climate crisis might be the most direct threat to our species and life on earth, all dysfunctional aspects of this system have to be addressed.

From end of September 2019 on, we will rise up across Europe, strategically, in coordinated waves of actions.

UNTIL THEN :

Stay informed, join the conversation and the next strategy conference.

Plan and get ready both within your groups and regions.
