

By2020WeRiseUp – Newsletter September II 2020

Hello everyone and welcome back to the By2020 newsletter! The movement is rising - with actions across Europe, XR's rebellion weeks, and the upcoming climate strikes the times are a-changing indeed! This week we want to help you keep track of all the amazing things happening and be a platform to discuss what's happening across borders and movements. To that end, we have the reminder regarding the next By2020 European Call first and the Climate Care Uprising announcement second!

By2020-European Call

The next European By2020-call will take place Tuesday, September 22nd from 19h00 to 21h00 CEST. Feel free to already leave agenda suggestions in the [pad](#). We're still looking for a BBB-room and will otherwise use Zoom - please check the pad to see where we'll talk.

Climate Care Uprising Announcement

We welcome all groups and people connected to the CCU to use this material to help spread the word further!

When?

There is a timeline of suggested dates for when to post things on this [Google-Drive](#).

What?

Digital material

The wonderful digital team has put together a folder of digital material which we welcome everyone to use. Of course you can change it so that it suits the needs of your group. The folder includes the CCU video, suggested texts and a link to the CCU website (soon with a “map of actions” where you can add your own actions!). Everything is in this [Google Drive folder](#). And, if you want, please use the hashtag #ClimateCareUprising

During the actions (23rd Sept-15th Oct)

Climate Care Uprising's Outreach working group has suggested that everyone who wants can re-post information (events, posts, etc) about other groups' actions in order to amplify each other. More info about this will come shortly from the Outreach team. To contact them directly: climatecareuprising@protonmail.com

Traditional Media

If you want, here is a [template for a press release](#) that you are welcome to use.

Contact

- Announcement working group: sofia.olsson@yahoo.se (for questions specifically about how the announcement is coordinated)
- Outreach working group: climatecareuprising@protonmail.com (for questions on outreach work + contact point for new groups and people)

- Digital working group: magarcia@greenpece.org (for questions about the digital material + website)

It is through you and your groups and networks that we are able to spread the message of the Climate Care Uprising to as many people as possible. Thank you for your hard work!
